

Packaging and Packaging Waste Regulation 2025/40/EU (PPWR): Declaration of conformity

We hereby declare that packaging solutions used for protection, transport and warehouse storage of products supplied by Finder Spa, to the best of our knowledge and based on the available information, are in compliance with the EU Packaging and Packaging Waste Regulation (EU) 2025/40 (PPWR) obligations that shall apply from 12 August 2026.

In particular,

Compliance with PPWR essential requirements:

Article 5 (Substances Restrictions):

- Based on the information available at the date of this declaration, the packaging complies with the heavy metal threshold limit of 100 mg/Kg as sum of concentrations of lead, cadmium, mercury and hexavalent chromium (VI);
- The restrictions on PFAS apply to food-contact packaging only and this packaging is not intended for direct contact with food; however, based on the information available, the packaging doesn't contain any intentionally added PFAS.

Ongoing Compliance Assurance:

Articles 6 to 12 (Missing Delegated Acts):

Finder Spa continuously monitors developments of Regulation (EU) 2025/40 so that the packaging remains compliant with further applicable obligations.
